Scholarship Application – Return To Guidance By **Friday, April 24th**

Several organizations have requested that Western select the recipient of their scholarship. In order to facilitate the selection process, each applicant must complete the attached application and return it by the due date indicated below. These scholarships are known as the **Western Scholarships**.

Conditions For Receiving A Western Scholarship:

- The scholarship must be awarded to a Western School of Technology and Environmental Science student who will be attending a two or four year college, technical or trade school.
- The check will be issued to the educational institution the student will be attending.
- All scholarships awarded must be utilized within one year after graduating from high school. If, for any reason, the recipient does not use it, it will be awarded to an alternate or held for a future recipient.
- All information provided by the candidate will be confidential.
