

You're invited to the Western Tech's

# New Wolverines' Summer Workshop

Incoming ninth grade students and their parents are invited to attend a workshop aimed at easing the transition to high school. This is an ideal opportunity to learn what it means to be a Wolverine and to prepare a path to success before the school year begins.

## TOPICS

- Meet friends and find your way around the school
- Study skills, organization, and time management
- Preparing for high school
- Reading and annotation strategies: The Wolverine Way
- Math review and the Rule of Four
- Online resources and support offerings
- Test prep resources for PSAT, SAT, and AP preparation
- School clubs, sports, and activities information

## SESSION DATES AND TIMES

You may choose to attend any of the workshop sessions listed below. **Please note the same topics will be covered in each session**, but you are welcome to attend more than one.

**Join us to meet new friends, learn about the school, and check out some great summer reads!**
