- Here is your "Tech Tip" for the week. Do you arrive to school but can't connect to the BCPS Wi-Fi? If your ProBook is still on, it thinks that it is still at your house. Shut down your ProBook when leaving home, then turn it on fresh here at Western to recognize the new Wi-Fi. And vice-versa – shut it down when leaving Western and turn it on fresh at home.
- The following colleges will have representatives here at Western Tech:
 - November 29 Cabrini University
 - December 4 Shippensburg University

Please sign up on Naviance. A pass will be distributed to your homeroom teacher the day of the visit.
