

ATHLETIC ELIGIBILITY

2.0

Grade Point Average

All students planning to participate in sports at any Baltimore County Public School are required to maintain a quarterly G.P.A. of 2.0 with no more than one E to meet the eligibility standards. The ability to participate will be determined using calculations based on the grades received on the quarterly report cards. Students may utilize the following information to regularly determine their current G.P.A. while viewing their grades on Edline.

G.P.A. is calculated using the following information.

Full Credit Classes & Half Credit Classes

Grades in full credit classes and half credit classes are weighted by points as follows:

A - 4 points / B - 3 points / C - 2 points / D - 1 point / E - 0 points

Each full credit class and half credit class has a value of: **1**

A student with 8 Full Credit classes receives the following grades: B/B/B/C/C/C/D/D

<u>Class Value</u>	1	1	1	1	1	1	1	1	8	G.P.A. = 2.13
