

African Student Association (ASA) Club: Ms. Gibb-Hernandez & Ms. Owens Room 201 (30)

The African Student Association (ASA) is a school-based social club for students to learn about and celebrate the vast and colorful cultures of Africa. All students are welcome. Students discuss issues ranging from politics, healthcare and pop-culture, share cultural experiences, and participate in ethnic games. As we learn more about African countries, and show our appreciation for the continent, we hope to share these African cultures with the broader Western Tech community to expand upon our school's diverse student body. Our club day meetings will allow members more opportunities to plan club events and allow students who cannot attend after-school meetings to come to ASA club during school.

Anime Club: Mr. Stutzman Room 106 (30)

Anime club is for fans of anime books and movies. Come and discuss your favorite artwork with people that enjoy anime.

AP Calculus Club Mr. Streets Room 115 (30)

This club will offer students the opportunity to receive additional help in advance of the ap exam in May. Students can address whatever topics or concepts they need extra help with, or practice by working on released ap multiple choice and free response problems.

AP Government and Politics Club (open to AP GOV students) Mr. Pagliarini Room: (18)

AP Government and Politics club offers AP GOPO students an extra opportunity to review material, gain extra help, and fine tune their knowledge of vocabulary and its application.

APPLIED Club: Mr. Foster Room 112 (22)

Western Tech's APPLIED Club is for anyone interested in creating apps for mobile devices. No experience necessary. We need people interested in everything from programming to marketing; from development to distribution.

AP Psychology Club: Mr. Dobmeier Activity Room (35)

The AP Psychology Club is the place to be for former and present AP Psychology students. We will discuss how psychology connects to contemporary issues, view videos, and prepare for the AP Psychology exam.

Art of Physics and Engineering Club: Dr. Mercer Room 221 (30)

This club will explore feats of engineering and physics, as well as allow some students the opportunity to get some extra coaching.

Chemistry Help: Ms. Marion Room 220 (12)

Chess Club: Ms. Amland Room 109 (12)

All are welcome from beginners to advanced! Even if you have never played before we would love to have you.

- Chess requires no luck
- Chess is a lifelong activity
- Chess strengthens your logic
- Chess helps you make new friends
- Chess club is free!

Cultural Coalescence Club: Mrs. Streets and Sra. Owens Room 203 (25)

The Cultural Coalescence Club has two main purposes:

- (1) Members will help to plan and organize the annual Cultural Coalescence, to be held this year in March 2018. A committee of three to four seniors will take on certain leadership responsibilities to help Mrs. Streets and Sra. Owens organize this event. At times, after-school meetings will be required for committee members.
- (2) Members will learn and teach each other about various cultures, to include art, literature, music, dance, theatre, film, etc.

Cosmetology Club: Ms. Cooney Room: 111 (20)

This club is for students who are currently enrolled in the Cosmo magnet.

Dance Team: Ms. Williams Room: Cafeteria (20)

Purpose: To execute and provide more dance routines for the upcoming events. **For current dance team members only.** Our team will focus on creating school spirit, pride, and loyalty.

Debate Club: Mr. Richmond Room 305 (24)

“Are you part of the Debate Team and need help organizing your speeches? Want to practice against your fellow teammates? Then join the Debate Club!” (Current Debate club members only)

Disc Golf Club: Mr. Jett Room 306 (10)

Students will learn how to play disc(Frisbee) golf. They will learn the different types of shots that can be used, and how to use them. Students will work together as a group to solve the problems of curving shots around trees, through branches, and around obstacles to keep their score as low as possible.

Fishing Club: Mr. Slepisky Room 105 (16)

The fishing club is intended to get beginning anglers and avid fishermen (and women) alike to come together as a group. We will focus mainly on freshwater fishing and tactics. The hope is to help students learn how to take what they have learned, go practice, and then go out to catch fish at your favorite local ponds, streams, rivers and lakes.

French Club: Mr. Olive Room 200 (24)

This is only open to students who are enrolled in French.

After school French club meetings are open to all.

Gay Straight Alliance Club: Ms. Bauer Room 102 (30)

The Gay-Straight Alliance (GSA) is a student-run club that provides a safe place for students to meet, support each other, talk about issues related to sexual orientation and gender identity and expression, and to work together to end homophobia and transphobia. Any student who is interested may be a part of this club regardless if they identify themselves with the LGBT community or not.

Girls Lacrosse Club: Mr. Daudelin Room 304 (30)

Girls Lacrosse Club: Learn Stick Tricks, Watch game and practice videos to learn the game, play a little catch (weather permitting). Some equipment required (goggles/mouth guard/stick, if you want to play any catch).

Green Club: Ms. Bickerstaff & Mr. Kather Room 231 (25)

We will be working on environmental projects around the school such as trash cleanups, planting and mulching as well as making posters for upcoming events. Please dress to be outside!

Jeopardy Club: Mrs. Roe & Mrs. Woiak Room 204 (24)

Literary Magazine Club: Ms. Szczepanski Room 212 (12)

We meet to advocate, compile edit and produce a magazine that encompasses the Western Tech students' talent through writing, art, and photography.

Muscle Car Club: Mr. Renaud Room 229 (10)

Learn about the cars of the late 60's and early 70s (and even today!) that became legendary as they prowled the streets and raced at the local drag strips. This club focuses on the various sources of these

incredible machines, has you conduct research into the car of your choosing and culminates with a presentation about that car.

NTHS (National Technical Honor Society) Mr. Adelung & Ms. Christhilf Room 218 (20)

Description: NTHS club involves a variety of intelligent students chosen to help with school activities for their academic achievements. The club's main goal is to help provide funds for the benefit of the school. These students are required to have a GPA of 3.0 or higher.

"Open Mic, Music Jam" Club Mrs. Carlino Room 216 (30)

This club is for both instrumentalists and vocalists, alike! Any student who plays an instrument and/or sings will have an opportunity to create and/or play music with other musicians. Students can form their own bands or ensembles, select music to work on and perform it in a judgement-free, supportive environment. Meets in Rm 216.

Poetry Power: Ms. Gillern & Ms. Osborne- Library(28)

Come experience the power of poetry. With a focus on both writing and performance, this club will encourage and build on the love of poetry. Come join a safe and supportive network of poetry lovers to help refine your skills and share your passion.

Rockin Rollers Club: Room 210 (25)

Mister Perkins (the "Ayatollah of RockenRollah") &

Profesor Ruth (the "Master Controller RockenRoller")

If you think that "Rock and Roll Ain't Noise Pollution"; if you are part of a "Rock and Roll Band"; if you like to "Rock and Roll All Nite and Party Every Day"; if you sing, "I Love Rock & Roll"; if you love all the "Rock & Roll Hoochie Koo"; if you want to get to "The Heart of Rock and Roll", then this club is for you! Come play the "Super Bowl of Rock & Roll" – a game so big that it will take three club sessions just to play! We will have fun playing a game show so that you can show off how much you know about rock bands and songs. This year's format is "Name That Tune"; we will play classic rock songs, bands, recognizable riffs, guitar solos, drum fills, bass lines, and more for you to identify. Come test your knowledge of classic rock. "For Those About to Rock, We Salute You!" "We Will Rock You!" "Rock On!"

Meet our CALS classroom staff and students: Mr. Hite Room 223 (10)

Meet our students enrolled in our communication and learning support program (CALs) and develop new friendships and assist teachers in group work and games. This experience will help foster leadership qualities and build strong relationships within the building.

SADD: . Ms. Swiecicki 213 (30)

SADD (Students Against Destructive Decisions) is a student led group with a mission to stay committed to saving lives by empowering teens to stand strong against destructive decisions. While vehicle crashes are still the #1 cause of death for teens, SADD has expanded its mission to include prevention of other destructive decisions as well and to help teens set a healthier, safer course for their lives.

South Asian Students Association Club(SASA) Ms. Achar Room 219 (30)

SASA will work for and with the South Asian Students and other students that wish to join this club to promote awareness, understanding, acceptance of the South Asian(India, Pakistan, Sri Lanka, Bangladesh and Nepal) Cultures.

Speech Club: Ms. Goodwin Room: Writing Center (8)

This club will help prepare students for public speaking. Together, we will discuss strategies for successful speaking methods and practices.

Study Hall: Room/Teacher will be determined later

Team Sports Club: Mr. McEvoy Room: Den (24)

This club will provide a variety of opportunities to participate in small or large team games. Athletic shoes must be worn to be eligible to participate. This club will meet in the den.

The Unit Circle Club: Mr. Miller Room 114 (24)

For students who have a love of trigonometry and want to explore the patterns found in the wonderful world of mathematics.

Trivia Club: Ms. Ward Room 100 (24)

Compete against your friends with fun and exciting trivia questions.

Volleyball Club: Mr. Wagner Gym (32)

No experience needed!
