

COSMETOLOGY

Cosmetology students earn 1,500 hours of training which qualifies them to take the Maryland State Cosmetology Examination.

Program Skills & Certifications:

- Life skills, communication skills, and presentation of a professional image
- Sciences which deal with bacteriology, infection control, anatomy and physiology, as well as chemistry and electricity
- Hair properties, hair design, shampooing, haircutting, hair styling, braiding and extensions, wigs and hair enhancements, chemical texture services, and hair coloring
- Histology of the skin, hair removal, facials, and facial makeup
- Nail structure and growth, manicuring and pedicuring, and advanced nail techniques, artificial nail application and nail art
- Salon business skills as well as seeking employment and on-the-job skills
- State board preparation—a minimum of 1,500 hours are required
- Earn 350 hours in the senior year through the work-study program in a licensed salon, under the supervision of a licensed senior cosmetologist
- The purchase of a kit containing all equipment, books, and a uniform is required in the 9th grade program. These items will be used to complete the students education as well as sit for the state exam
- seniors must complete 350 hours in a licensed salon under the supervision of a licensed senior cosmetologist to complete the course requirements and take the state exam.
- Students sit for the exam at the completion of the 1,500 hour program and become licensed in their senior year
- The State of Maryland is now under the international board which allows the licensed cosmetologist to practice in any state by transferring their license
- Lecture, demonstration, and continual practice is used throughout the students' training

Internships:

Work-study in a licensed salon, under the supervision of a licensed senior cosmetologist for the last 350 hours during 12th grade.
