## AM Drop-off and PM Pick-up Routes and Guidelines

For safety, student drop-off and pick-up by car, must occur in the **Student Parking Lot**. The traffic pattern runs **one way**.

To reach the **Student Parking Lot**, drivers must enter and exit the school campus from the second entrance on Kenwood Ave.

After buses exit at 7:20 AM 2:10 PM, students may be picked up in the bus loop.

**No cars** should park in the bus loop **from 12:30 PM - 2:15 PM**. School buses will be parked in loop and in main entrance/exit routes, **no cars will be able to enter or exit** until after the buses leave.
