New Wolverine (Virtual) Summer Workshop

Each year, incoming 9th grade students are invited to participate in our summer workshop. During the workshop, students meet important staff members, tour the school building, and participate in transitional study skills to prepare to navigate their 9th grade year.

This year, due to COVID-19 and construction-related school closures, we are providing asynchronous activities and live workshop sessions. Materials will be available in Schoology starting Monday, July 20, 2020. Links to the live meetings will be available in Schoology and on the website the day of.

Students encouraged to review the asynchronous materials and attend each of the 4 sessions. Each live session is being offered during multiple dates and times: sessions 1 and 2 will be held on July 23 & 27 and sessions 3 & 4 will be held on July 24 & 28.

Sessions 1 and 4 will have opportunities for parents, so we invite you to sign on as well.

Please take a moment to review the session information below. Then, we ask that you complete this [questionnaire](#) to let us know you will participate in the workshop.

Session Topics

Session 1: Welcome, Overview, and Resources

Session 3: WT Math Skills of Success (SOS)

Session 2: WT Reading Skills of Success (SOS)

Session 4: Student Panel and Q&A

Asynchronous Activities to be completed on your own before the start of the school year:	<p>Access to the asynchronous materials will be available in Schoology and on the website beginning July 20.</p> <ul style="list-style-type: none"> • Western Tech Virtual Tour • Welcome to Western Video Activity • Western Tech Website Scavenger Hunt • Western Tech FAQs
