

Good Morning Western Tech Families:

Today marks the first day of the “Continuity of Learning” plan. For those students with access to Schoology, the first mini-lessons were posted this morning at 8:00 am. The attached document outlines the type of support available for BCPS provided devices and information about Internet Access from home. We understand that some students may not have access to a computer and/or the internet. For those students, a way to request materials will be provided and is forthcoming.

Thank you.

Mr. Parker
