

Good evening, this is Mr. Parker of Western Tech. Thank you to everyone for making the first week of our “Continuity of Learning” plan a success. For students with access to Schoology, please remember to submit your first mini-lessons by 11:59 pm tomorrow, Friday, April 10, 2020.

As a reminder, there will be no Office Hours on Friday, April 10, 2020 and Monday, April 13, 2020 since all schools are closed because of the holidays. The mini-lessons for Week #2 will be posted by teachers on Tuesday, April 14, 2020 by 8:00 am (please refer to our Week #2 schedule that is posted on our website).

Please keep in mind that families of students in grades 6-12 can now request printed instructional materials by submitting a request through the print pathway request link. For those who have an email address and are unable to access Schoology, please go to our school’s website and click on the “Continuity of Learning” link. For those families without any technology access, please call (443) 809-0840 and leave a voice mail message with the name of your student, grade level, magnet program, and your home address. A school staff member will then place the order for print materials. All print materials will be sent directly to the provided address by BCPS.

For our AP students, directions will be forthcoming early next week regarding AP exam balances for those who owe money and still plan to take their exam(s). All balance collections for AP testing exams will be facilitated through Online School Payments (OSP). Students who choose not to sit for the AP exam(s) will be refunded their \$40 deposit per exam sometime in mid-June.

As always, I hope you and your family are safe and healthy. Thank you and have a good evening and weekend.
