

Good Evening, this is Mr. Parker of Western Tech with some updates. Students, as we continue to learn virtually, I would ask that you remain patient, resilient, and positive. If you are feeling a little down, please make sure to reach out to a friend, family member, and/or your school counselor.

There are some updates for AP Students concerning exams. For your reference, both AP documents have been attached to this message and have been posted to our school's website under the "Continuity of Learning" plan.

The first document (*2020 Letter to Student*) is a general communication from Ms. Tavernia and Ms. Monahan regarding the exam schedule that was released by the College Board. This document went out via email to all AP students registered for an exam(s) earlier today.

The second document (*Example - AP Test Payment Letter for Students*) is for those students who still owe money for exams. An online payment option has been established for those who choose to take their exam(s). In the example letter, the student owes money for three exams. The remaining exam balance will vary for each student; therefore Ms. Tavernia plans to send each student an email with his or her itemized balance. Students if you are unsure of your exam balance, please wait to receive your email from Ms. Tavernia prior to making the payment. Online payments are not due until May 7, 2020.

On behalf of the Western Tech community, I want to thank you for your continued support of our school community. Our administrative team will continue to be available to you via email, and I will provide on-going communication as we move forward. Thank you and have a good evening.
