

Good evening, this is Mr. Parker of Western Tech. I would like to share some reminders with you as we come to the end of the fourth week of our “Continuity of Learning” plan.

For students with access to Schoology, please remember that the new submission deadline is Sunday by 11:59 pm. Additionally, in order to be responsive to Western Tech students and families impacted by COVID-19, please keep in mind that teachers have designated one lesson as required and one lesson as optional per course.

For AP students, an online payment option has been established for those who choose to take their exam(s) and still owe some money. Online payments are due by Thursday, May 7, 2020. Also, AP Exam Demo will be available May 4 through your College Board account. AP students should use the exam demo to practice the different ways to submit their exam responses. The demo will help students confirm that their testing device will be able to access and run the online exam(s) which begin the week of May 11, 2020. An exam checklist has also been attached to this email for your convenience.

Finally, our virtual schedule for Week #5 – May 4 – 8, 2020 has been posted to our website. Students please plan to stay engaged as best as you can with the Google Meet virtual classes on Tuesdays and Wednesdays. If anyone is experiencing an extreme hardship, please know that your school counselor is also available to you via email.

As always, I hope you and your family are safe and healthy. Thank you and have a good weekend.
