

Parent Teacher Student Association
Western School of Technology & Environmental Science

The **WSTES PTSA** is a recognized group of parents, teachers and students that work together for the benefit of our Maryland and US Department of Education Blue Ribbon School. Taking an active role in your child's education is critical to their success.

- PTSA of WSTES provides support to teachers and administrators, and creates a caring and supportive atmosphere in the school. With all of the budget cuts, schools are becoming more and more dependent on parent groups.
- There's no better way to know what's going on at the school than to be in the school's PTSA. You'll be the first to hear about important decisions and changes the school is thinking about making and you will get to know teachers and administrators through interactions with the PTSA.
- By volunteering with the PTSA, you'll be able to use your skills for a noble cause – to help create the best educational environment possible for our children.
- You'll show your children that not only are they important to you, but their education is as well. They'll see you taking a stand to make education better for them, and chances are they'll do the same.

We are a non-profit organization and all dues and donations are tax deductible. Please lend your support by:
