

Update-Western Tech Reassessment Parameters 2021-2022 2nd-4th Quarter

- Students will be provided a **minimum of one reassessment** opportunity prior to interim reports
and
a **minimum of one reassessment** opportunity after interim reports and before the closing of grades for the marking period.
 - All students will have opportunities to demonstrate greater understanding, regardless of the grade earned on the original assignment.
- To be eligible for reassessments, students must:
- Complete the original assessment by the deadline.
 - Complete reteaching/relearning activities as determined by the teacher.
- Not all assignments are eligible for reassessment; the teacher designates which assignments are eligible based on the content standards of the course. In accordance with Rule 5120: Enrollment and Attendance, teachers are not required to provide make-up work to students absent for unlawful reasons.
 - Students are expected to review timely feedback and course materials prior to completing a reassessment. Students are also encouraged to participate in coach class and review opportunities as available.
 - Reassessment opportunities may occur partially, entirely, or in a different format as determined by the teacher. Only the higher scores will be included in the students' marking period grade.
 - Summative unit assessments cannot be retaken or redone. This includes end-of-unit and end-of-semester/marketing period assessments in all courses.

Note: The student's grade is determined by a body of evidence.
